

S.S. "ARBROATH" ex-German S.S. "Alexandra"

Dun. 8327/8

This vessel was built in 1909 by Messrs. A.G. Neptun, Rostock, and classed with the Germanischer Lloyd, and a special survey has now been held by the Dundee Surveyors with a view to classification with this Society.

Plans and particulars of the machinery were approved in the Secretary's letters "E" of 11.3.21. and 4.11.21. provided the examination of the boilers proved satisfactory and certain modifications were made in the pumping arrangements. These have now been effected and a satisfactory report on the machinery forwarded.

It is submitted that the vessel is eligible for the record LMC 11.21. C.L. - S.11.21.
