Report No. 995, on the sp. "Point Clear"

I shall be glad to learn whether the last date of survey on the hull of this vessel as given on your report is correct, as it appears from a report received from the Society's Glasgow Office that the Engine & Boiler Casings were efficiently closed in & the freeboard marks verified on the 19th February.

The last date of visit given to Maryport
was to get report examined and signed
and obtain the name of Registered owner
