

28th October, 1949.

Dear Mr. Lumsden,

I am in receipt of your letter of the 24th instant respecting the steamer "NAIRANA" which crossed my official one to you of the 27th, and seeing that Mr. Lenaghan's Office at Belfast have agreed to pay for the copies of plans, we don't really mind what he does with them except if he should inconvenience you.

However, they are his property and not ours, so that he should make his own arrangements for their safe keeping.

With kindest regards,

Yours sincerely,

S. B. Lumsden, Esq.,
TRIESTE.
