

20th October, 1949.

Dear Sirs,

S. With further reference to my letter of the 17th instant respecting the steamer "NAIRANA", I am now in receipt of a letter from the Union Steam Ship Co. of New Zealand, Ltd. requesting me to supply Messrs. Lenaghan with copies of any available plans in this case, charging an appropriate fee to this Company.

It is concluded that Messrs. Lenaghan require these plans to be sent direct to Trieste, and this will be done unless anything to the contrary is heard from you.

Yours faithfully,

Copy sent Tri

Clerk to the
Classification Committee.

The Surveyors,

BELFAST.
