COPY FOR TRIESTE. Preliminary enquiry before
answering your letter of the 12th.

17th October, 1949.

Dear Sirs,

A few days ago we had a request from Trieste for the status of classification of the steamer "NAIRANA" No.19711 in the Register Book. They also asked for plans of midship section, profile and decks.

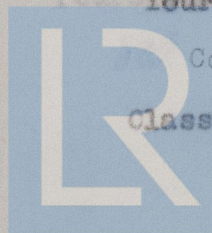

As she was laid up at Melbourne we made further enquiries and I think I cannot do better than enclose herewith a copy of the reply, dated 12th instant, which has now come to hand from Trieste.

Before complying with the request, I shall be glad if you will ascertain from Messrs. Lenaghan & Sons whether the sale has yet been completed and whether they would be willing to pay for the cost of copying the plans in question for the information of the Repairers.

Yours faithfully,

Copy sent Tri
