342, Argyle Street, Glasgow.

3rd. December, 1919.

Dear Sir,

In reply to the enquiry conveyed in London Letter of 1st. inst. regarding the Screw Shafts of the T.S.S. "NAIRANA" Glasgow Report No. 37135, I beg to state that these shafts were fitted with continuous liners extending the whole length of the <sup>in</sup> stem tubes.

I am, Dear Sir,

Yours faithfully,

*Harry Clarke*

The Secretary,  
GLASGOW.
