Dear Sir,

I beg to acquaint you that Aberdeen Report No. 22851 on the Steam Trawler "CITY OF EDINBURGH" was placed before the Scottish Sub-Committee of Classification at their Meeting to-day.

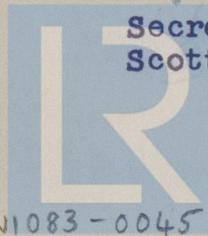

It will be observed that the vessel is very much overdue for survey and that the Surveyors have made certain recommendations for continuance of class.

The Surveyors have, however, been informed that the vessel has been sold for breaking up and, in the circumstances, I was directed to forward the reports to you for appropriate action.

Yours faithfully,

*W. H. Miller*  
Secretary to the  
Scottish Committee.
