Dear Sir,

re EMPRESS of AUSTRALIA"

Mr Witt has just returned from a trial trip in the North-Sea, and reports that during the machinery trials the turbine thrust blocks (Michell type) gave trouble; alterations will be carried out on the Clyde, to where the vessel is proceeding, on completion of the repairs an official trial trip and manœuvring of the main ~~and~~ engines will be carried out. It is submitted that an Engineer Surveyor should attend on these trials. otherwise the the survey on Machinery and Boilers are completely surveyed.

The Port chain cable stopper requires to be made good

I am, Dear Sir

Yours faithfully
