

EX-GERMAN STEAMER "TIRPITZ".

Mr. Martin, Manager of Canadian Pacific Ocean Services in London, has stated that the question of the classification of this vessel will be decided when she is definitely taken over by them.

In order to expedite dealing with the case, it is desired that it be fully considered so as to be in a position to state definitely to the Buyers what are the Society's requirements for classification.

as

July, 1921.
