Dear Mr Ives,,

In Mr Ritchie's absence, on his Summer vacation, as arranged, I have opened your letter of the 12th instant. I have seen Mr Brown of the Humber Graving Dock today who states that he does not think his Firm will be successful in obtaining the contract but that, following conversation with the Company's Officials, he is of the opinion that the vessel will eventually be classed with the Society..

With kind regards.

Yours faithfully,
