Dear Sirs,

I duly received your letter of the 16th ultimo respecting the Steamer "INCHCRAG", from which it is noted that the ship is still laid up at your port.

Having regard to the circumstances in this case, the Committee have now given instructions for a notation of "Laid up pending Survey - Class suspended" to be entered in the Register Book against this ship.

I shall be glad if you will inform the Owners of the Committee's decision in this respect, pointing out that all overdue surveys and repairs should be effected before the ship is again placed in service.

Yours faithfully,

Clerk to the  
Classification Committee

The Surveyors,  
HONG KONG.
