LLOYD'S REGISTER, 13th June, 1923.  
LONDON.

REC'D 14 JUN 1923

Dear Sir,

ANS<sup>2</sup> \_\_\_\_\_

I wish to point out that the diameter of the intermediate pressure cylinder of the S.S. "STEELVILLE" (Messrs. J. Readhead's No.472) is 41 inches and not 44 inches, as stated on the certificate and in my First Entry Report.

I regret that this error has inadvertently occurred, and would be obliged if the alteration be made on these documents.

I am, Dear Sir,

Yours faithfully,

V. Lockney.

The Secretary,

London.
