

MINISTRY OWNED VESSELS IN THE SPECIAL REGISTER BOOK

"EMPIRE LIFE GUARD", "EMPIRE PEACEMAKER", "EMPIRE REST",
"EMPIRE COMFORT" & "EMPIRE SHELTER".

Mr. Hack of the Ministry, with whom the question referred to in my previous memorandum has been re-opened, states that there is now no reason why these vessels should not be shown in the Register Book and survey questions raised in the usual way with the Managers, i.e. Ellermans City Line Ltd.

The vessels are still employed in the same service in the Mediterranean.
