

To be attached to £8 on Completion

A

31st March, 1944

Dear Sirs,

With reference to Southampton Report No. 18265 on boilers made by Messrs. John I. Thornycroft & Co. Ltd., I have to inform you that an account has today been rendered to the Director of Navy Accounts for the fee due for the supervision of the requirements of the Specification, and in due course, your account will be credited with the sum of £45 in respect thereof.

In view of the fact that several other boilers are being constructed under the Contract No. W.1292, I should be glad to learn whether there are any means of identification other than the Contract number, as no boiler numbers appear on your reports in cases of this nature.

I am, Dear Sirs,
Yours faithfully,

The Surveyors,
SOUTHAMPTON.
