

Received by Chief Ship Surveyor 9.9.15

Received from Chief Ship Surveyor \_\_\_\_\_

VESSEL'S NAME Sheela Dmal Leatham Rpt. 1st No. 28803

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey \_\_\_\_\_

It is submitted the Ship Surveyor be requested to state whether the sheenstrike has been doubled at the break of the quarter deck & also to forward the sketch of bulkheads which it is stated in profile would be submitted.

They should also furnish particulars of the test & weights of stocks of the sheen & keel anchor, if these have been supplied of the weights stated instead of as required.

The midship section should be returned & the Surveyor requested to amend same to agree with the report & vessel as built as regards the thickness of the shell plating.
