

EXTRACT FROM MR.P.O.SJÖGREN'S JOURNAL. HELSINGBORG.

Date	Name of Vessel	Object of Survey	Where lying
------	----------------	------------------	-------------

April, 1947

Saturday 26th	M/S "NORSKTANK"	Damage	Helsingborg Afloat
---------------	-----------------	--------	--------------------

Examined the condenser. Same found broken at forward end of shell.

It was stated that the shell will be renewed after the present voyage Helsingborg-Stockholm-Oslo.
