Dear Sirs,

m.s. "NORSKTANK" now named "JANKO"

I have to acknowledge the receipt of your letter of the 15th instant respecting the report of survey carried out by Mr. Sjorgren in April 1947, and in reply, I have to inform you that this report on the broken condenser shell does not make any reference as to the cause of the damage, and it is, therefore, thought that a copy of this document will not be of service to you.

Mr. Sjorgren is no longer in the employ of this Society, but I am making enquiries of the Society's Surveyor at Helsingborg, and if any useful information emerges, I shall have pleasure in communicating with you further.

Yours faithfully,

Copies sent Hbg. and Oslo.
