Dear Sir,

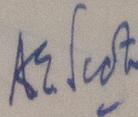

Ansd.....^{22/3}

5th March, 1951.

I regret the delay in forwarding the enclosed report on the "JANKO". This has been due to the fact that some information and the photographs were awaited from Vigo and only reached this office to-day.

I would state that during our stay at Vigo the weather was persistently bad and it was difficult to carry out an efficient examination under the circumstances.

Yours faithfully,

The Secretary,
LONDON.

Report noted with interest under the circumstances that a full inventory has been taken of the ship and the particulars of her condition and the work done for repairs in the event of a new hull. Samples of the material available have been obtained for examination.
