

S.S. "HARPORT".

This vessel is being converted for the carriage of petroleum in bulk, and the alterations are being carried out by Messrs. Smith's Dock Co.

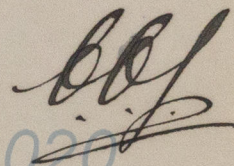

Sketches of deck plans and pillars in deep tanks forwarded by the Builders direct.

It is submitted that provided ^{additional} cross tie plating be fitted on the tank deck in the expansion trunks, and the arrangements in other respects be carried out as shown and amended on the plans and to the satisfaction of the Surveyor, the same will merit approval.
