

H. dept.

S. S. "Harport" No 251 in The Register Book.

It is proposed to convert this Vessel into a Bulk Oil carrier, and preliminary plans shewing the alterations have been handed in by Mr. Reed of Smiths Dock Company, who are to carry out the alterations.

The scantings and arrangements generally have been discussed <sup>in this office</sup> with Mr. Reed, who has promised to submit complete detailed sketches shewing the alterations, in due course.
