Dear Sirs,

29th June (Copy Photo)

We are posting under separate cover tonight proposed cargo pumping plan, and bilge suction plan plan for the S.S. "Harport", which steamer we are converting into an oil tanker.

We should esteem it a favour if you would wire us your early approval of this, as we are wishful to get the material ordered.

Thanking you in anticipation,

We are,

Yours faithfully,

For SMITH'S DOCK COMPANY LTD.

L. Steers
Engine Works Manager.
