

## POSTPONED SURVEYS.

Case of the s.s. "BANDRA".

No. 02647 in Reg. Bk. tons, Built 1914-3

Classed Owners

Port of Registry

Vessel 38 years old.

Survey Due Special Survey due 2.51.  
Boiler Survey due 2.52.  
Screwshaft Survey due 2.52.  
Loadline Certificate expired 31.3.52.

As a result of a General Examination carried out at Calcutta in November last the Committee agreed to the Special Survey being postponed until the end of March last.

The attached letter has now been received from the Owners, via their London Agents, requesting that the repairs required for the Special Survey might be postponed for 12 months.

The vessel is reported on the Hong Kong Rtn. 3 for the 11th March as being under survey for Special Survey.

**TUES. 20 MAY 1952**

It is submitted the H. K. Surveyors be advised that it is concluded that the examination held 3.52 was for a S.S. (D) including the drilling of the shell plating, but this should be confirmed and their comments requested with regard to Owners present proposal, of which they should be informed. Since the year of grace expired 2.52, the Surveyors should also be advised that it is not the Committee's custom to grant a modified S.S. notation for less than two years.
