15th September, 1927.

Dear Sirs,

I was duly favoured with your letter of the 6th instant respecting your steamer "BARCELONA", and note that the vessel will be transferred to the American Flag and will proceed from Havana to Baltimore with cargo.

As intimated to your goodselves in my letter of the 26th ultimo, the class has been expunged from the Society's Register Book owing to the fact that the surveys overdue on the screwshaft and boilers have not been held, and a notation to this effect has already been posted in the Society's Register Book.

I may say, however, that upon a satisfactory report being received from the Society's Surveyors that these surveys have been held and all requisite repairs carried out to the satisfaction of the Society's Surveyors, the case will be submitted to the Committee with a view to the reinstatement of the class.

I am, Dear Sirs,  
Yours faithfully,

The Boston Iron & Metal Co.,  
313, Hanover Street,  
BALTIMORE, Md.

Clerk to the  
Classification Committee.
