QUESTION.

With reference to the entries which have appeared from time to time in your returns of vessels under survey respecting this vessel, I shall be glad to learn how the case now stands.

At the same time you will be good enough to let me know what action has been taken regarding Screw Shaft and Boiler Surveys which became due at the end of November and February last respectively.

ANSWER.

Date:— May 23rd; 1927.

This vessel is laid up in the " GRAVE YARD" with a watchman on board.

Some boats and other fittings have been removed from her.

The Agent informs me that she is for sale, and he knows of no plans for her future.
