Dear Sirs,

"STAUR".

We sold this steamer for Messrs. Fearnley to Dutch buyers through Messrs. Fawcitt & Co. Ltd. here.

There appear to be no certificates on boats and these are not in Messrs. Fearnley's possession.

The buyers urgently require the certificates as the steamer is about to sail on a regular sailing on the 15th inst.

We understand Messrs. Fearnley have telegraphed you to hand certified copies of the steamer's certificates to Messrs. Fawcitt and Co. here and we should be extremely obliged if you will kindly attend to this as promptly as possible so that Messrs. Fawcitt may have the certificates in Holland well before the 15th.

Yours faithfully,

*Stanley*
