Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

11th October, 1927.

Dear Sir,

S. With reference to the classification in the Society's Register Book of your Steamer "OSTSEE" ex "CORFE CASTLE", I beg to acquaint you that the Committee have to-day had before them a communication received from the Society's Surveyor at Bremen, from which it appears that it is not your intention to maintain this vessel's class in the Society's Register Book.

As you are no doubt aware, the year of grace allowed by the Society's Rules for the completion of the Second Special Survey No. 3 has already been exceeded, and as it is not intended to complete this inspection, the Committee have given instructions for the vessel's class to be expunged from the Register Book with a red line, indicating non-compliance with the Society's Rules.

I have to add that in view of the withdrawal of this vessel's class, the record of the freeboard assigned by the Committee, together with the corresponding draught, will also be withdrawn, and the freeboard certificate is thereby cancelled and should be returned to this Office.

I am, Dear Sir,
Yours faithfully,

W. Schuchmann, Esq.,
BREMERHAVEN,
Germany.
