Survey due 2nd Special Survey No.2 due October, 1925.
Boiler Survey due January, 1927.

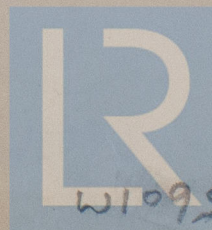

In November last the Cadiz Surveyors stated the Owner had informed them that he could not stop the vessel until January when he intended to put her on the slipway for overhaul, and in the circumstances the Committee deferred consideration of the case subject to the inspection being then held.

In reply to inquiry the Cadiz Surveyors now write they are informed by the Owner that he proposes to submit the boiler, part of the engine, and the hull internally for examination when the vessel arrives at Cadiz about the 6th instant, and that he will endeavour to drydock the vessel and
