QUESTION.

ANSWER.

With reference to my letter of the 23rd November last, I shall be glad to learn how this case now stands.

It will be observed that this vessel again became due for Boiler Survey at the end of last month.

*Said*

Date:— 24<sup>th</sup> February 1927.

The Owner states that he proposes to submit the boiler, part of engine & the hull internally for examination when the vessel arrives here about the 6th. of March.

He informs us that he would endeavour to dry-dock the vessel & draw the tail shaft at an early date but will make no definite arrangement for this.
