RODRIGUEZ RINCON HERMANOS,

LA CORUNA., 7th November 1925.

the Secretary,  
LOYD'S REGISTER OF SHIPPING,  
LONDON. E.C.3.

Sir,

We thank you for your favour of 9th October last  
and for the instructions you gave your Surveyor at Bilbao  
to survey the "FERNANDO" at Ferrol. We have, however,  
received news from Bilbao which made us change our mind  
about beaching the vessel at Ferrol because the dock which  
was prepared has been used for another urgent case and we  
have not brought the vessel there as we intended. We  
therefore return to our original intention to carry out  
the surveys at Cadiz and we will arrange with Mr. Luis Marquez  
at Seville in accordance with your letter of the 9th October  
will you kindly inform that Gentleman so that when  
notified by us he will carry out the repeated operation ?  
at Cadiz. We have also informed Bilbao of this.

We are, Etc.,
