ENCLOSURE

27th October, 1925.

Dear Sirs,

I have to acquaint you that the Owners of the Steam Trawler "FERNANDO" stated recently that the Second Special Survey No.2 would be carried out at Cadiz at the end of this month. They have now telegraphed, however, asking that the Survey may be held at Ferrol, and the Committee consider that Mr. Miller, the Ship and Engineer Surveyor at our port, should attend at that port and hold the requisite inspection, and I have to confirm my telegram as per copy herewith, which was sent to you today in regard to the case.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,  
BILBAO.
