ENCLOSURE.

9th October, 1925.

Dear Sir,

I have to acquaint you that in reply to enquiry regarding the Boiler Survey which became due at the end of March last in the case of the steam trawler "FERNANDO", the Owners state this vessel will be in Cadiz at the end of this month, when this inspection will be held, and that as the vessel will stay at that port for some time, they also desire the 2nd Special Survey No.2 to be carried out on that occasion.

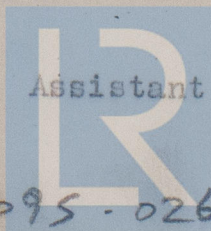

In the circumstances the Committee will authorise you to hold the 2nd Special Survey No.2 of this vessel in this instance and I shall be glad if you will place yourself in communication with the Owners and make the necessary arrangements in regard to the matter.

A copy of a letter which has to-day been addressed from this Office to the Owners is enclosed for your information.

I am, Dear Sir,

Yours faithfully,

Luis Marqu  z Esq.,  
Marques de Paradas, 24,  
Seville,  
Spain.
