Secretary Lloyd's Register of Shipping  
London.

Dear Sir, We thank you for your letter of the 25 September re inspection of our steamer "Fernando"

This vessel will be in Cadiz at the end of this month of October and then the inspection of the engine will be carried out; as regards the Second Special Survey, which is due, we submit to you that it may be carried out also when the vessel is in Cadiz, as she will remain there during some time and will be in a ship yard.

We shall feel obliged by your giving instructions to your Inspector in Cadiz to carry out the said inspections in agreement with us, as in this way our interests will be protected.

With many thanks in advance, we remain

Yours faithfully
