Fish Docks,

Grimsby Janry 10th 1903.

Dear Sirs,

NOB. 490 & 491.

We regret to learn from your favour of the 9th instant that the 2nd Bower Anchors for the above vessels are light weight.

weight.

With the permission of Lloyds we are perfectly satisfied with same, taking the two Bower Anchors together in each case the weight is only slightly below the aggregate weight required.

Yours faithfully,

(sd) Moodys & Kelly.
