ANVERS, April 1, 1927.-

213, AVENUE D'ITALIE.

The Secretary,  
Lloyd's Register of Shipping,  
71, Fenchurch Street,  
LONDON.E.C.3.-

Dear Sir,

We acknowledge receipt of your letter of the 31st. ult. contents of which we have duly noted.-

We were lucky enough to be able to sell the " HOUTHANDEL " in Japan without class passed the same as the " FRUITHANDEL " but which we sold with class passed.-

The Buyers accepted the " HOUTHANDEL " without class at a reduction of £ 700. for which of course we could not class the ship.

We note that you have cabled out to Japan. Do you not think it would be fair if we took half of your cabling expenses for our account ? for after the ship had sailed from Alexandria we were already negotiating to deliver the ship at a reduced price as she would have lost her cancelling date if we had been forced to reclass her.-

Yours faithfully,

ARMEMENT GYLSEN, Sté. Ame.,

P.S. Had we known that you were incurring any costs, we would have written you immediately that we started negotiations.-
