(Boiler Survey due 11,25.)

At the end of April last the Grimsby Surveyors stated they were informed that the Special Survey No.1 would be carried out at Fleetwood and that all communications on this subject should be addressed to the Owners' Office at Fleetwood. The Liverpool Surveyors were advised accordingly.

In reply to enquiry the Liverpool Surveyors forward a letter from the Owners in which they state they have been in touch with their Mr. Parkes regarding the Special Survey No.1 and he asks that the vessel may be allowed to run until the summer months, say about the month of May, when the slack period for fishing is usually experienced.
