11th July, 1928.

Dear Sirs,

H.

With reference to the classification in this Society's Register Book of the motorship "BAYMAUD", I beg to point out that this vessel's screwshaft became due for survey at the end of last month, when the Modified Survey of the Oil Engines also became due.

In the circumstances I shall be obliged if you will kindly let me know, for the information of the Committee, when and at what port you expect to be in a position to have these inspections held.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
