The Annual Boiler Survey of this vessel became due in September last.

In a letter, dated 8th instant, however, the Society's Surveyors at Copenhagen state they have been informed by the Owners that it is not desired to maintain the steamer in the Society's Classification as she has been transferred to that of the British Corporation. The Surveyors add that the Owners' Superintendent is also the British Corporation Surveyor.

The case received the consideration of the Classing Committee on Friday, 18th instant, when it was decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
