COPENHAGEN.

7875, 79. As recommended.

"H. PONTOPPIDAN" 7874. As recommended. It is concluded that the thickness of the first strake below the sheer strake on port side amidships was ascertained at a locally wasted space, but you will be so good as to let me know if this is so.

Two certificates are enclosed for issue if the case is in order.

"CAP NORD". I am in receipt of your letter of the 12th instant confirming the cablegrams which have passed between us respecting this vessel. I may say that this case again received the consideration of the Committee at their Meeting to-day and, in view of the intimation contained in your cablegram, they have deferred action in the matter until next Friday, the 22nd instant. You will be so good, however, to send a cablegram to reach this Office by the morning of the 22nd instant stating exactly how (Cont.)
