Vessel's Name, M.S. "CAP NORD".

QUESTION.

ANSWER.

With reference to your letter of the 3rd September last, I shall be glad to learn whether the vessel is still laid up. At the same time I have to point out that this vessel became due for a Special Survey equal to a Time Survey at the end of the month, and you will be good enough to let me know what steps are proposed to be taken with a view to the requisite inspection being carried out at the proper place.

Date:— 13th Decbr. 1926.

We have communicated with the owner, who states that the vessel is still laid up at this port.

As regards the overdue survey he requests that it may be postponed for the present, provided it be held before the vessel is again put into commission.
