Enclosure

Dear Sir,

Dear Sir,

We duly received the certificate for heavy oil engine No.22077, motorvessel "Bagerin", but as there was no accompanying letter attached, we are not able to find out which of the Humboldt-Deutzmotoren engines is fitted in the above vessel.

Kindly let us know the numbers of our first entry No.527 and have to state that this report has been awaiting the builders signature.

We are, Dear Sir,
