Engineers: Messrs.

Engine No.

It is submitted ~~that the plan of~~ *GLASGOW SURVEYORS.*  
be informed it is noted that these discharge ~~merit approval~~  
~~for~~ valves from the main condenser, ballast pump and  
~~provided~~ bilge pump have been inadvertently made  
without the spigots as now required by Notice No 1696 and  
that these valves are similar to those fitted in the  
*S.S. "JERSEY QUEEN"* for the same Owners.

In the circumstances these valves might be accepted  
in this instance, provided the valves be otherwise fitted to the  
Surveyors satisfaction.
