ENCLOSURE.

14th September, 1927.

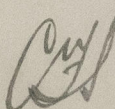

Dear Sir,

I enclose herewith for your information a copy of a letter which has been addressed to Messrs. H. Burns, Philp & Co., Ltd., of Sydney, N.S.W., relative to their steamer "MELUSIA", which would appear to be laid up at your port for sale.

For your information I may say that the 2nd Special Survey No 3 was partly held at Sydney in March 1926 by the ranging of the cables, the internal examination of No 3 double bottom tank and the examination of the inner bottom plating in the boiler room. I may further say that the vessel further retains her class subject to some repairs to No 3 tank being completed.

You will be good enough to advise me immediately should arrangements be made to send the vessel to sea before dealing with the outstanding survey requirements.

I am, Dear Sir,
Yours faithfully,

 J.H. Matthews Esq.,
SINGAPORE.
