QUESTION.

ANSWER.

With reference to your letter of the 17th Nov., I shall be glad to learn how this case stands.

At the same time I have to point out that the vessel became due for Boiler Survey at the end of January, and you will be good enough to let me know what arrangements have been made for the requisite inspection to take place.

Date:— 4th May 1927,

The Secretary,
Sir,
Messrs.

Burns Philp & Co. Ltd, inform me that this vessel is at present laid up at Singapore pending sale.

As the vessels movements are uncertain at the moment, they propose to allow the boiler survey to stand over, also completion of S.S. 2nd No.3 until definite arrangements have been made.

Singapore Surveyor advised from this Office.
