The Second Special Survey No.3 of this vessel became due in April last and has been partly carried out.

The Owners have now informed the Society's Surveyors at Kobe that as the steamer is to be employed in Coasting Trade only in future, they do not desire to maintain her classification in the Register Book.

In the circumstances the Classing Committee, who had the case before them on Tuesday, 6th instant, decided to give instructions for the vessel's class to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
