Technical Dept.

16th January, 1929

No.4593.

s.s. "MONTE NEVOSO"

We beg to acknowledge the receipt of your letter of the 14th instant, and in reply thereto we are sorry to have to inform you that the above steamer has passed since the 11th instant, under the management of the Societa Cooperativa "GARIBALDI" of Genoa, who, as stated in our letter of 20th December last, have decided to restrict the classification of our previous vessels to the Registro Navele Italiano, viz:- "ADAMELLO", "ADELINA", "MONTE NEVOSO", "MONTE SANTO", "ROSALIA", "ROSARIO" and "SAN MARCO", as soon as they pass over to their possession; it will therefore be necessary to suspend the survey now due of the adjustment of the centre boiler safety valves, and also the Special Survey No.2 which will become shortly due.

Further to our above mentioned letter, please note that the Hon. Magrini, President of the Soc. Garibaldi, has taken up on the 15th Decemb er his charge as Liquidator of our Company.

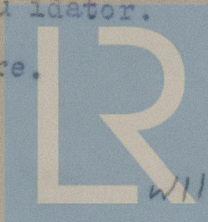

Following the above decision of the aforesaid Soc. "Garibaldi", we have to request that all the surveys to the other vessels quoted above which are classed with your Society must be suspended, may they be due now or become due in the future.

We should like to take the opportunity and repeat our best thanks for all your kind and appreciated services in respect of our fleet, and shall be obliged if you will kindly forward them also to your London Head Office.

You rs respectfully,

"LLOYD ADRIATICO"  
Societa di Navig azione in Liquidazione  
For the Liquidator.
