Lloyd's Register of British & Foreign Shipping,

71, Fenchurch Street, E.C.

9th December, 1913.

Gentlemen,

With reference to the First Entry Report No.7307 on the steamer "CARDIGANSHIRE", it is observed that the net registered tonnage as given therein and inserted in the classification certificate for the hull was 3432.98, whereas in the printed copy of the Official Registration of the vessel which has been received it appears that these figures represent the deductions allowed from the gross tonnage to make the net tonnage, which should be 5992.98.

I have therefore to request that you will obtain and return the First Entry Certificate to this Office for correction.

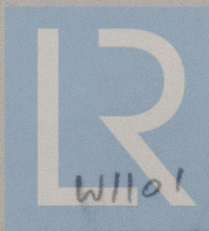

I am, Gentlemen,

Your obedient Servant,

Assistant to the Secretary.

The Surveyors,

BELFAST.
