Dear Sirs,

M

With reference to your first entry report No. 7495 on the new steamer "CARMARTHENSHIRE", I have to request that you will be so good as to forward the approved plan of coaling port doors, and I shall be glad if in all cases all approved plans are forwarded with first entry reports.

The sketch of midship section is returned herewith, and I have to request that you will state whether chilled meat is to be hung from the upper deck beams, and if so whether the beams have been increased, and if not the note regarding the same should be deleted from the midship section.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
