The Third Special Survey No.1 of this vessel became due in November last, but the Owners have not informed the Society's Surveyors at Kobe that it is not their desire to continue the vessel in the Society's Classification.

In the circumstances the Classing Committee, who had the case before them on Tuesday, 19th instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
