AUX. TWIN SCREW 41757 SV "ELIZABETH RUTH"

It is submitted that  
this vessel is eligible for  
**THE RECORD.** LMC 9.18

OIL ENGINES 2 S.C. SA, 6 Cy. 14" - 18 1/2"

AUGUST MIETZ, NEW YORK.

(Annual Survey)

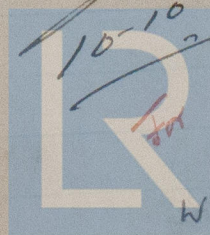

J. 10-10-18

It is submitted the New York Surveyors  
be requested to furnish particulars regarding  
the diameter of the propellers, the diameter of  
the screw shafts, and whether the screw shafts  
are fitted with continuous liners or otherwise.

Attention should be drawn to the record  
of + LMC assigned; it being stated in the  
New York Report that these engines have  
not been built under survey.
