18th July, 1924.

Dear Sirs,

S.
Reverting to my letter of the 25th ultime
respecting the classification in the Society's Register of
Yachts of the aux. motor yacht. "FLYING CLOUD", I beg to
acquaint you that the Society's Surveyors at Southampton
have reported to the Committee that they are informed by the
Master of the yacht that the Owner does not intend to continue
her class, and I have to acquaint you that in the circumstances
the Committee feel there is no alternative but to expunge
the class from the Register of Yachts with a Black Line,
indicating reported defects.

I am, Dear Sirs,

Yours faithfully,

Secretary.

Messrs. Lucas & Pyke,
